PRODUCT OF INDIA

About Us

Relishes Spices is India's spice processing company that has all its processing facilities in-house. It supplies premium spices across the globe to all market segments. Our products are formulated and processed under the supervision of a skilled team of professionals by using pure and high-quality ingredients. Material is procured from reliable and certified vendors of the market in compliance with international quality standards.

By supplying high quality spices like blended spices, basic spices, non-veg Spices, etc., our company, Relishes Spices, has gained a huge prominence in the market. Our offerings are high in demand and famous among customers because of flavor, aroma and economical price tags.

We also take care of hygiene in our production house and make sure to follow stringent quality checks. Our professionals make use of various machines that help us in different processes, thereby, increasing the productivity. Also, we make use of high-quality packaging material in the packing of manufactured items which assist us in saving the products from moisture, dust and other damages during transportation.

With different climates in different parts of the country, India produces a variety of spices, many of which are native to the subcontinent, while others are imported from similar climates and are being cultivated locally for centuries.

Along with spices, we have also emerged as a leading supplier and exporter of food grade and industrially used salt. Having obtained an advantage in the salt industry with regards to the availability of a range of salts and competitive prices provided by us to our customers, we have strongly marketed ourselves worldwide. With India being a hub of spices production and Gujarat being the leader in consumption and production of different types of food products and Indian savories, we have successfully created and entered an ever-expanding market.

We being one of the leading spices and processed food suppliers and exporters aim to deliver quality and building relationships worldwide through our excellent distribution and marketing channels.

Why Choose Us

Superior quality and delicious taste are the essence of our products. We selectively source freshest and purest raw materials and ingredients from trusted sources and prepare spices in our state of the art facility. Our production facility is equipped with latest machinery like Sortex technology for cleaning spices.

Starting as a popular brand in Saurashtra, since 2020, we have expanded our presence across the length and breadth of Gujarat.

Shuddhata aur swad ki sahi pahechan

Product Quality

- **No chemical production**
While the market is full of cheap and chemically ridden spices, we, at Relishes Spices keep the quality at its best. The production of spices is closely supervised and as per our commitment to quality, we strictly prohibit any chemical usage in the entire process. Relishes Spices promises 100% natural spices.
- **FSSAI Certified Masala Brand**
We are a Food Safety and Standards Authority of India (FSSAI) certified masala manufacturers. This means that Relishes Spices is approved and certified to be 100% safe and healthy to consume.
- **Nutrition fact certified brand**
As the purest masala manufacturers, we make sure that all the spices manufactured under our brand name have the right nutritional value as per the instructions of the authorities.
- **Machine cleaned raw material**
To elevate the quality of spices we follow a strict cleanliness regime for our raw materials and have automated machines for the same.
- **ULTRA FINE GRINDING**
Our grinding machines grind material at high speed allowing very fine and even granulation with perfect texture for variety of spices. This process allows spices to get sprinkled uniformly.
- **PURE & UNADULTERATED**
Our spices and seasonings aren't mingled with or diluted by extraneous matter nor do we indulge in any practices to get more out of a certain quantity of a spice by manipulating it. We provide 100% purity in our products.
- **NO ARTIFICIAL COLOR ADDED**
Our spices spread evenly when sprinkled without the hassle of lump-forming, it gives garnish touch to your food. Also, it results in least wastage of spices.
- **24X7 SUPPORTS**
We are sincerely dedicated to our customers' concerns, hence we promise solving your concerns or getting back to you round the clock. We are here to serve you.
- **HYGIENICALLY PACKED**
All spices are hygienically packaged with the help of our technically advanced packaging machine. An air-tight packing is done with caution to let it be moisture free. This keeps our spices fresh and bacteria free.
